SUPERVISOR'S MESSAGE

The major events of our lives take on a new meaning upon reflection. Now, in the quiet following the joyous activity of our Golden Jubilee year, we can think about the success of our 50th anniversary. I believe our milestone celebration impels us to walk into the future with greater confidence and assertiveness, certain of our unique identity as an educational institution.

While the festive mood that marked the start of our last school year was dimmed somewhat by a school crisis and the threat of the H1N1 flu virus, which forced us to cancel our plans for a grand closing ceremony, the memories of our anniversary remain positive and far-reaching. This summer I travelled to Toronto and attended a reunion of more than 110 former Rosaryhill students and some former teachers who wanted to celebrate our school's 50th anniversary. Our dinner together in Canada was definitely a celebration of happy memories.

As educators, we strive to teach and to guide. The young boys and girls who attend Rosaryhill School as students come to learn and to grow, which can be a difficult, even painful, process. To be successful both as teachers and as students, we must listen to one another. As teachers, we are certain of our educational goals, but we must adapt our methods to meet the changing environment and needs of our students. What remains unchanged, however, is Rosaryhill's moral core—our values of life and education.

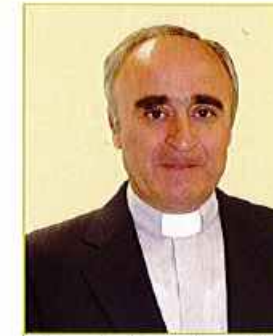

Repeatedly, we turn to our Patroness, our Lady of the Rosary, for help. We are asked to pray without ceasing. We must never tire of looking to Heaven for answers to our problems.

Enjoy this memory book, one that records an important year in the life of our school. We hope that as you turn the pages, you will share our feelings of confidence in our students, staff and teachers. May all of us at Rosaryhill continue to work with the zeal and commitment of our school's Forefathers.

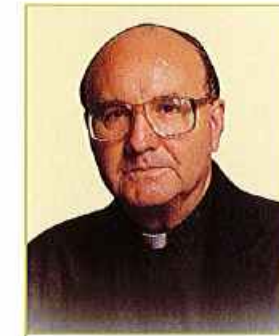

May God bless us all!

GOLDEN ABACUS

The Spanish Chamber of Commerce in Hong Kong is willing to congratulate our school on reaching our Golden Jubilee. Every year during its Annual Gala Dinner the Spanish Chamber of Commerce awards the Golden Abacus (ABACO DE ORO) "to a person or

institution that has specially contributed to increasing the relationship between Spain and Hong Kong and the Spanish presence in our city." This year Rosaryhill School was the recipient of the Golden Abacus award because during its 50 year presence in HK our school has played a role in building an important link between HK and Spain, both spiritually and academically.

The occasion of the award was held during the Gala Dinner on 11 December 2008, at the REGAL HOTEL HONG KONG. The award was received by Fr. Supervisor, Fr. Francisco de las Heras. All the Fathers in the school together with the Principals of the different sections attended the award presentation and dinner.

During the dinner there was an auction of a painting by a Spanish painter living in HK. The proceeds of the auction were donated to a Hong Kong charity that helps young children with loose parental support. The school obtained the painting, "Dreams".

FACULTY CHRISTMAS PARTY

The 2008-2009 Christmas celebrations were a great event for Rosaryhill School. As part of the tradition and as a respect to our Lord, we first had our school mass in which our beloved fathers blessed us. All the departments of the school were present.

We all had the opportunity to be together as one sing hymns and pray together. On this occasion, we also had the fantastic opportunity to show some recognition and appreciation to some of our committed staff who have served our school for the last 10, 20 or 30 years.

After this, we were all lead to the School Hall to be treated to the annual Christmas party. We had a number of games to keep the atmosphere alive such as 'guess the part of the school', 'guess the Chinese song' sung by a non Chinese speaking Native English Teacher which was a hit. Everyone enjoyed the happiness of the party.

LONG SERVICE AWARDS

As we all know, the Long Service Award is the most honourable award for those staff in Rosaryhill, who have completed 10, 20 or 30 years continuously with valuable effort that has led the school to a success.

Here are the awardees who have achieved this milestone. Congratulations to all.

FATHER SUPERVISOR'S BIRTHDAY

Our Supervisor, Father Francisco de las Heras had a wonderful birthday celebration on the 2nd April 2009. This was the first time we had organised his birthday party at the newly renovated Basement. We were happy to have Ms. Kitty Ma and Mrs. Diana Wong to represent the Rosarian family to express warm birthday greetings to our dear Fr. Francisco. The warm atmosphere was reinforced when all sang the birthday song with accompaniment by the Secondary School recorder and harmonica bands. After cutting the birthday cake, all staff members were served with a buffet prepared by the canteen. Everyone enjoyed the unforgettable and special day.

FAREWELL

MS. CHANG KAM FUNG MARGARET

Ms. Chang, who was born in Viet-nam many years ago, started being a teacher in our school on 1 September 1963, when she was not even 20 years old. She has just now “graduated” from her teaching this school year, after 46 years of teaching in RHS. Until now she has been the longest serving staff in the whole school. The day of the Golden Jubilee when we had the presentation of awards to all our staff and finally Ms. Chang was called to come and receive hers from Bishop John Tong the whole audience in the hall stood up in recognition to her long serving years. These lines are also our expression of thanks from the School to you,

Ms. Chang, for all the service and help provided to many thousands of students.

Ms. Chang has been teaching mainly Chinese Language in the Primary Section of our school, and other subjects like Religious Knowledge, Art, etc. She was the Panel Head of the Chinese Department for many years, mainly in charge of the AM section when we used to have the two sections, AM and PM. She has always been known for her soft and amiable character.

MR. CHAN HON YAM DAMEN

Mr. Chan's life at Rosaryhill School started on 1 September 1976, when he was still very young but not totally green in the teaching profession as he already had some teaching experience. His two teaching strengths were Mathematics and Integrated Science. Mr. Chan was quickly welcomed by the students

and became popular among his colleagues who very soon elected him President of the Teachers Council.

Mr. Chan served as the Discipline Master for the Boys Section over many years, until he became Director of Student Affairs in 1997. The post of Director of Student Affairs involved many jobs, mainly related to Pastoral Care of the students. He was also, over many years, the official trainer of the Badminton Team that achieved outstanding results in different competitions.

After working with Mr. Chan for many years let me mention the tireless efforts he has made for anything related to the school and to the welfare of the students; his pleasant character, and his generous dedication. Proof of his popularity was the attendance of a few hundred students at his Welfare Party organized by the OSA.

Thank you, Mr. Chan, for the 33 years that you have totally dedicated to RHS!

Golden Jubilee

THANKSGIVING MASS cum OPENING CEREMONY

"Learn the word of truth" is the motto of the Golden Jubilee which covers the development of the school in historical, religious and educational perspectives. Entering the school year 2008-2009, the Thanksgiving Mass cum Opening of the Golden Jubilee was held at the Bernard Charnwut Chan Hall on 6th October, which also signifies the beginning of

the Rosaryhill School 50th Anniversary celebration. More than 1,000 people attended the function. They included our alumnus, Mr. Bernard Charnwut Chan, representatives from the EDB, principals from other schools, ex-supervisors, retired staff, alumni, parents, all teaching and menial staff and student representatives of different sections. Unveiling the Golden Jubilee celebration was the Thanksgiving Mass which was presided by His Excellency Bishop John Tong Hon, and was concelebrated by 17 Fathers from different parts of the world. Our School Choir made up of students from Primary and Secondary sections sang beautifully and students and parents joined in the readings and offerings. His Excellency expressed his appreciation of the contribution of the staff and the Dominicans' devotion to social service.

The Opening Ceremony followed the Thanksgiving Mass. The altar was transformed into a stage. Mons. John Tong Hon together with Fr. Provincial and 5 ex-supervisors of the school presided over the Opening Ceremony. The highlight was the "Big Bang" explosion of the guns throwing confetti into the air when the presidential party pulled the lever. The Supervisor, Fr. Francisco de las Heras talked about the development of the school and mission of the Dominican Order. He also showed his gratitude to all the staff in his speech. Important as well was the presentation of awards to current staff members, as recognition of the historical moment that marks the school's 50 year history and opens a new chapter for the next 50 years to come. The highlight came with the presentation of certificates of service to staff serving for more than 30 years. The audience stood and applauded when Ms. Margaret Chang, who has served the school for 45 years, received her certificate from His Excellency. The opening ceremony was simple, grand, warm and joyous.

After the ceremony, the guests enjoyed refreshments in the junior covered playground and made use of the chance for reunion sharing and fellowship with one another.

GALA DINNER

Rosaryhill School's Golden Jubilee Gala Dinner was held on 30th November 2008 at the Convention Hall in the Hong Kong Convention and Exhibition Centre. It was the biggest dinner celebration ever organised for the celebration of RHS' anniversaries. A total of 81 tables were booked on that evening, participants of the night included various fathers, teachers, students, staff and school bus drivers.

The night was not only meaningful for the School to celebrate her 50th anniversary but it was also meaning to those who had left RHS for quite some time. It was a great opportunity for the participants to catch up with each others as well. We saw a great number of long lost faces and some of those even flew all the way from overseas to attend the Gala Dinner.

Apart from being a celebration dinner for the school's 50th anniversary, it was also a fundraising dinner for the new Rosaryhill School Golden Jubilee Scholarship Fund. More than HK\$2,000,000 was raised from the event and the fund will be used for the benefit of the RHS' students in the future.

Most of the participants were greatly impressed by the backdrop on the stage in the dining hall, which imitated the school campus of RHS. Many participants were very anxious to buy various souvenirs of the 50th Anniversary. The programme of the night included video show of RHS' past 50 years development, group phototaking of various years on stage, changing mask performance by a former student, singing performance delivered by the OSA choir the Rosarian Singers.....etc. The Gala Dinner ended at around 11pm and everyone left with a joyful memory.

OPEN DAY

The Golden Jubilee Open Day of Rosaryhill School and Kindergarten was held on the 6th and 7th of December, 2008. It successfully attracted many students, parents, alumni, and other visitors to visit the school.

The Hon. Bernard Charnwut Chan, GBS, JP, an old boy of the school, was invited to be the Guest of Honour. He delivered an opening speech that encouraged young people to think positively and reminded them to keep competitive despite the impact of the recent financial meltdown.

The theme of our 50th Anniversary is, "Learn the Word of Truth". Bearing this in mind, the educational purpose of the Open Day was manifested in a way no less important than its celebratory counterpart. Learning elements were integrated in all subject displays and stall games. Students were highly encouraged to come back to school to acquire such knowledge. At the same time, all demonstrations, activities, and performances were conducted interactively so all participants could enjoy the learning process involved.

Thanks to the blessing of our Mighty GOD, the Open Day received exhilarating and touching support from students, parents, alumni and other visitors, rendering the event a big success in our Golden Jubilee Celebration.

MUSIC GALA

The Music Gala was successfully performed in front of an appreciative audience on the 29 March, 2009 in the Jockey Club Auditorium of Polytechnic University. Students from different sections and alumni took part in the performance.

The title of the Music Gala was MONTE DEL ROSARIO: Mision y Escuela (Hill of the Rosary: Mission and School). The show aimed to provide a snap shot of what has happened during the past 50 years in our school. Rosaryhill has nurtured many youngsters who spent their childhood and teenage years leaving their mark in every corner of the school. The laughter and tears on the faces of the audiences revealed how the efforts of the alumni paid off and brought back precious memories of the good old days in the Rosaryhill family.

Finally, we thank God for watching over us for the past 50 years and may God's love usher us into a new era.

ACADEMIC TALKS

Five academic talks were arranged between October 2008 and April 2009. We were able to do this due to the great generosity of some of our former students. All of the talks were most definitely educational to the students who shall be Hong Kong's future.

We felt that the talks given by people who are obviously older and more mature gave a firsthand reality of what the students need to do to succeed in life. These talks showed the students the physical evidence of what successful study can lead to with the speakers being the prime example as role models to follow.

The success of the speakers also revealed a few other things to the students. First, it showed that the students need to set a target in life to succeed. It also inspired them to accept life challenges not to give up.

Spiritual guidance, which is so important in contemporary life, was also a theme in some of the talks. As students are still young they need to be guided in their thoughts and attitudes so they can be well prepared for the real world. We were extremely grateful to have one of our fathers take the time to share his beliefs and identify the need for young people to change their ways of thinking which will benefit them in later life.

Overall we felt the talks were excellent and provided a further channel of education in addition to routine classroom lessons. We felt they can help to strengthen students morality and positive attitudes which is just as invaluable as acquiring academic knowledge.

ROSARYHILL GOLDEN JUBILEE SCHOLARSHIP

The Scholarship was born from the Golden Jubilee Gala Dinner. Some past students wanted the Golden Jubilee to be remembered by future generations of Rosarians and at the same time pay tribute to deserving, future students.

Since it was going to be an on-going fund and scholarship, it was decided to make it independent from the school. Past students helped us to set up a charitable fund approved by the Inland Revenue. Three trustees, the Supervisor, a Principal of the School and the Chairperson of the OSA, govern the Fund.

The "financial tsunami" of 2008 endangered our plans of reaching our target of \$1.5 million. However, the generosity of many students and various fund-raising activities ensured the Gala Dinner was a success and our target for the Scholarship Fund was subsequently exceeded. We eventually raised more than \$2 million. We took the approach that those donating \$250,000 or over would be entitled to name the different awards within the scheme. We had four main donors. They are:

1. The William and Nancy Shih Award, who donated \$500,000.
2. The Sik Ping Award, who donated \$300,000.
3. The Allan Aw Award, who donated \$250,000.
4. Mr. Choi Sai Leung Award, who donated \$250,000.

MESSAGE FROM THE TEACHERS

Upper A: 葉老師

「早晨，葉老師。」簡單的一句說話，及一個擁抱。就是你們給我每天工作的原動力。我

經常想著：雖然我沒有小孩，但我像一個擁有28個小孩的媽媽一樣，努力盡好自己的責任去愛你們，去教導你們。所以你們有多頑皮，我都會盡心盡力去教導你們，我每天在努力地學習與你們相處，學習怎樣教導你們。

一下子你們由兩歲甚麼都不懂的小孩到今天六歲畢業，快升上小學一年級，心裡總是捨不得。這些年來，每天都有你們，不論是開心不開心，你們都跟我聊天，跟我玩耍，更跟我說說笑笑。你們快要離開我了，實在是十萬個不願意，但願你們幾年後還記得我這個小老師。

Upper W: 霍老師

在畢業典禮逐一讀出班中孩子的名字，看著你們正經地在台上領取畢業證書，作為班主任的我心情卻是欣慰加點難離。

還記得三年前這群初踏入課室的跳豆兒，時笑時哭，喜歡在課室自行我素走走坐坐，不覺地已在幼稚園渡過了三年全日班生活。在天主的美麗安排下，能夠陪伴你們每天開心地一起學習、用膳、午睡、遊戲……，眼前的跳豆兒也在成長中變得懂事、堅強、共融、經常歡笑說話滔滔。你們那張甜睡的娃娃臉，睡朦朧時把老師錯認為媽媽的情懷，更是送給老師的美麗回憶。

親愛的孩子們，你們長大了，老師衷心祝福你們繼續勇敢自信，讓微笑成為態度，使生活充滿希望，迎接未來的新挑戰，別忘記還要孝愛父母，真誠待人啊。老師會默默支持你們。主佑！

Upper B: 潘老師

三年的時間終於都過去了，轉眼間你們都要畢業了。在收拾你們的物品時，真的百般滋味在心頭。看著你們一天一天的長大，一天一天的改變，跟你們一起共渡過很多快樂的時光。記得你們剛入學的時候，大家都在摸索大家的性格特徵，從怕變成不怕，從不懂變成學懂，過程中真的有喜也有悲，越想便越不捨得你們要「離開」我這個事實，我真的很愛你們。

難別真的很難過，但我相信這一別之後，你們會向著未來畫出更精彩的人生路。在此我祝福你們到了小學都能認識到更多好朋友，過著開心快樂的小學生活。願天父都保守著這一班可愛的小朋友，勇敢地向前邁進，走出光輝精彩的人生。

Upper I: Ms Liu

The past years went like wind! Even though we are not willing to say but it's now time to say goodbye to all of you! None of us will doubt about the sweetness and warmth that we've had over the past few years and those great memories will bear in our minds for always!

I will never forget about you, my Upper I class dearest students! You all have made my years at Rosaryhill kindergarten treasurable and precious! You will always be on my mind just like the old song, "You are always on my mind!" I love you all and I wish you joy and happiness for all the years ahead!

SCHOOL ATHLETIC TEAM

Not only can sports keep our students healthy, they also help in reducing their academic stress. With this in mind, we have established a wide variety of school teams in sports. They are the basketball team, football team, swimming team, athletic team, badminton team and the table-tennis team.

During the school year, our athletes have made a lot of progress and have made remarkable achievement in various competitions. Our girls won the first runners-up in the Interschool Girls Badminton Competition for the girls while the boys ranked the first eight in the Interschool Boys Badminton Competition. Our students also achieved good result in the table-tennis competitions in the Eastern District. Some of our students have got the "Best Player Award" too. Let us wish them every success in the coming future.

「詩情畫意」中文科

十月份，籌辦了一段時間的中文室終於開放供同學享用。當中除了有許多中文書籍供閱讀外，同學們也可以在「書法小天地」中學習書法；他們還可以玩多媒體互動遊戲，而同學們亦十分享受當中的時光。

十二月份開放日，以「詩情畫意」為題的中文室吸引了不少人參觀，包括校友陳智思先生。當天的活動多姿多采，有猜謎語和多項攤位遊戲。

中文科今年致力提昇學生的水平，當中包括：與中文大學合作的「學習社群協作計劃」、參加廉正公署舉辦的講故事比賽及一年一度的校際朗誦節，同學獲獎眾多，也有同學們獲得前三名獎項。同時，我們還與書商協辦「系統性評估說話工作坊」及「查字典工作坊」等，務求令同學們學得更多。

THE ENGLISH WORLD

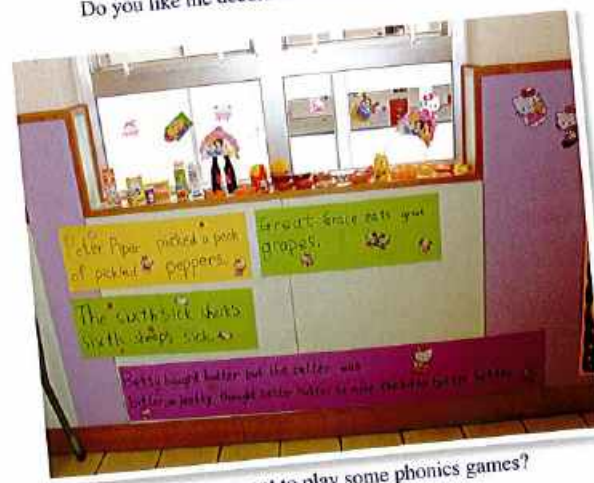

This school year, the English Department has organized different interesting activities for our students. To name a few, we had a story writing competition and the "Friday" performance. For the story writing competition, every student wrote their own story, such as fairy tales, love stories and fables. Our students are now able to write in English with more creativity.

Our Friday morning assemblies had been golden moments where our students showed their special talents in the form of English performance. Each class took turns to put their show on stage with confidence and extravaganza. All students enjoyed the shows with great enthusiasm.

PROBLEM SOLVING? NO PROBLEM.

Mathematics, a subject which develops students' logical thinking, communicating and problem solving skills, is considered to be a difficult and challenging subject. Students are frightened when faced with difficult problems, thus losing interest.

In order to arouse students' curiosity in Maths, self-learning activities and games are used to help them find ways to solve problems. This year, we have joined in the 'Partnership for Building Learning Communities for School Leaders and Mathematics Teachers in Primary School Course'. Our teachers, under the guidance of professors from the Chinese University of Hong Kong, have conducted an action research on our Primary 3 students. Through critical thinking, data collection and evaluation by statistical analysis, students learned how to overcome difficulties with an analytical mind.

The S-programme for Primary 6 has been designed to the needs of learning diversity. It also helped in boosting our students' confidence. Meanwhile, the students with higher proficiency are encouraged to participate in the inter-school mathematical competitions.

PROJECT LEARNING WEEK IN GENERAL STUDIES

In early April, students from Primary One to Primary Six were exposed to the world of "learning by doing"!

The main themes were as follows:

P.1-P.2 Eastern and Western Festivals

P.3-P.4 Delicious Food in Hong Kong

P.5 History in Hong Kong

P.6 Learning Village (with students from Taiwan)

4A students are preparing for their presentation...

Through task-based activities, we hope that our students could benefit from learning across the curriculum and apply their knowledge in different subjects. Senior students made surveys about food on visitors in a shopping mall and their family. Statistical analysis was made on the data collected. Even our junior students were able to take relevant and attractive photos.

The projects were portrayed in different genres-drama, posters, booklets. Each group was given a chance to deliver a 10-minute presentation to the class. The applause received from our PTA parents, teachers and students proved that the Project Learning Week was a great success.

MUSIC THAT MOVES

Feel the vitality of music and the energy it brings! We believe that live orchestral music is beautiful, touching and appeals to our senses!

This year, our students have participated in various concerts, organized by the Hong Kong Philharmonic Orchestra and the Leisure and Cultural Services Department. They are the "HSBC Creative Notes" Student Concert and the "Music for the Millions" Concert respectively.

We are also had the pleasure of having the "Winds Ensemble" to perform to us a repertoire of light classics at our School Chapel. Our students have cherished a lot from this special musical experience. They were fascinated by the ease at which the musicians demonstrated their instruments with humor and an aesthetic sense.

Our little conductor and the Winds Ensemble stunned all audiences.

The Concert brought surprising passionate performance to us!

In this booklet, we learn about the different parts of the modern symphony orchestra.

What a beautiful music!

It is the first time I sing with the Winds Ensemble.

COMPUTER DEPARTMENT

To broaden students' knowledge in Information Technology, this year our school has participated in two projects.

The first project is the "Learning villages" organized by the Chinese University. Our students used this platform to learn how to discuss problems and share ideas and resources with the students of Dahu Elementary School in Taiwan. Besides, we had a visiting tour at our corresponding school in Taiwan. Students had a chance to have lessons with their friends in Taiwan.

The second project is "UMPC" which is organized by the HHCKLA Buddhist Wong Cho Sum School, the Li Cheng Uk Government Primary School, the Education Bureau, The Hong Kong Education City, The Mai Po Nature Reserve and The Science Museum.

The main feature of this project is the use of ultra-mobile(UMPC) to record different multimedia resources during our visits to The Mai Po Nature Reserve and The Science Museum. After the visits, students shared all resources captured by the UMPC among themselves through the Facebook.

MAINTENANCE OF RELIGIOUS HARMONY ACT

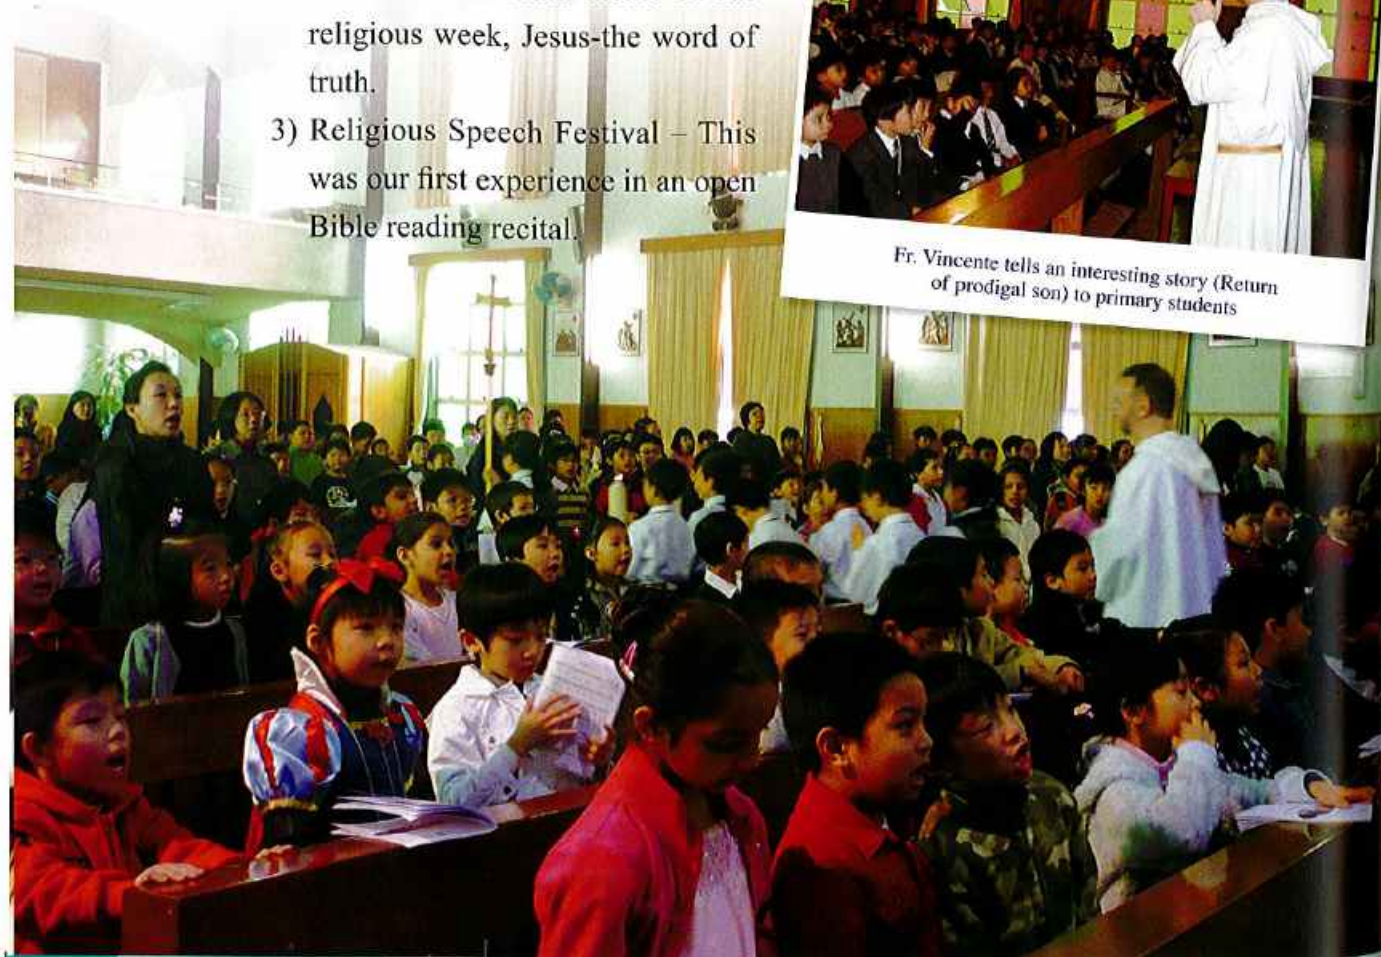

Every child is a unique gift from God. In our school, we are committed to nurture happy, confident, industrious and caring students. They take pleasure in the development of values, skills and competence, paving the way to be lifelong learners. This year we have a wide range of activities, tailor-made for our students.

They are:

- 1) Christmas Mass – We spent quality time with Jesus and received blessings from our dear Lord.
- 2) Religious Week – we had a Hymn Singing Contest – every class enjoyed singing hymns during the activity. Students displayed their artworks in the Hall. We were happy to have Fr. Vincente to share the Bible story about the prodigal son with us. Our kids were enlightened that God is forgiving, which indeed coheres to the main theme of our religious week, Jesus-the word of truth.
- 3) Religious Speech Festival – This was our first experience in an open Bible reading recital.

VISUAL ARTS

In order to celebrate the 50th Anniversary of our school, numerous large-sized attractive paintings were posted along the corridors of the school. All the paintings were designed by our students. The paintings are categorized into different themes namely: Sea World, Space World and Our School. During the Open Days, students from our upper classes served our guests with various art activities. They all enjoyed them very well.

SCOUTING IS NOT JUST FOR FUN

Boys want to have fun, while parents want them to learn positive values and skills that will last a lifetime. Therefore, Cub Scouting may be exactly what they are both looking for.

"Akela, we will do our best." Every Cubs will make the same promise when they join the troop. In fact, they have tried their very best in the badge tests and got excellent results.

What a BIG family!

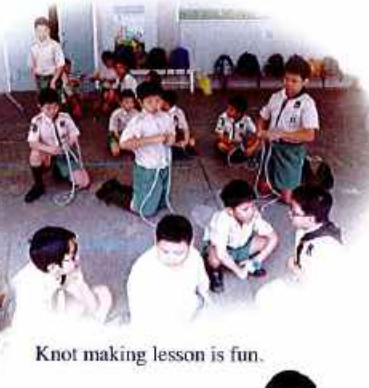

Throughout the year, different activities are used to achieve the aims of Scouting, such as citizenship training, character development and personal fitness, and, on the other hand, to contribute to a boy's sense of belonging.

RHS BROWNIES HIGHLIGHTS

Brownies at RHS accomplished a lot this year. Each Brownie member and their parents knitted scarves to bring warmth and peace to people who live in Sichuan, the earthquake stricken area. In addition, they spent much time to achieve a lot of merit badges through different activities. They attended a carnival and sold raffle tickets to raise money for the Girl Guides Association.

Besides participating at our Open Days, the card and cake design competitions for the school's 50th anniversary gave the Brownies an opportunity to utilize their creativity and artistic skills.

Their vivid accomplishments showed evidently that they have gone another step forward.

We got a lot of prizes in the carnival.

Ten new members join our Brownie troop this year.

Look! It's a great success!

Aren't they delicious?

AIDS TRAINING COURSE

To show our support of the International Red Cross Movement, all our members had made an effort to spend time to care for the health of the vulnerable. We received a training course by the youth members of our Secondary Section. We have learnt the causes of AIDS and how to cope with the misunderstandings and misconceptions people have on AIDS patients.

LEARNING THROUGH EXTRA-CURRICULAR ACTIVITIES

The ultimate goal of extra-curricular activities is to discover the potentials of the students and to help them become well-rounded individuals in all aspects of their lives.

This year, our kids were categorized into different groups to have their ECA activities. The activities have been specially designed in different categories. They are Arts, Sports, and Uniform groups. Chinese dance, Choir, Paper clay modeling, Needlework, Happy Pioneers, Little handcraft, UMPC-IT, Chess games and Read more learn more. We also had language classes like Spanish for Fun and Appreciation of English. Students that enjoy sports joined the Basketball, Athletic, Taekwondo classes. For those who enjoy to think critically, they joined the Mind lab and Maths elite. We also had uniform teams like Red Cross, Brownies and Cub Scouts.

We firmly believe that learning other than from textbook have helped our students a lot in developing their talents and potential.

FUN WALK IN TAI TAM

On 23rd October 2008, we had organized a fun walk in Tai Tam. Parents, teachers and students from all classes gathered around Hong Kong Parkview. After the ribbon cutting ceremony and opening speech, all started to walk in excitement.

We pursued our way along the walking trail and enjoyed the natural scenery of Tai Tam. The students took many photos along the way and in every checkpoint with happy faces. This activity had provided a good chance for parents to communicate with teachers in a healthy atmosphere.

Teachers go to the checkpoints now.

AN AMAZING CHRISTMAS PARTY

Our school had a meaningful Christmas celebration on the 19th of December. We started the day with a Morning Mass at the School Chapel. Everyone enjoyed the peace and tranquility and prepared the coming of our dear Lord. After leaving the chapel, students returned to their classrooms for the Christmas party. There were lots of food in each classroom, like sandwiches, chicken wings, sausages, cakes, jelly, chocolates and candies. Students were eating, laughing and playing.

The festive mood further increased when students went to the hall to take part in the singing competition and the lucky draw. Each class sang a Christmas song on stage. The atmosphere of the whole school was full of delight and warmth of Christmas. Thanks God for giving us such a wonderful and unforgettable day!

SCHOOL PICNIC

This year, we went to Po Leung Kuk Jockey Club Tai Tong Holiday Camp for our school picnic. It was a good opportunity for the children to spend quality time with their teachers and family members.

In the campsite, our students enjoyed numerous indoor and outdoor activities, cycling, rock climbing and archery shooting. After their meal, the children make sand bottles. All teachers, children and parents had a great time together.

運動會及遊戲日

二〇〇九年二月十二日是三至六年級同學十分期待的日子，因為當天是他們的運動會。在校監為第一項比賽鳴槍後，激烈的比賽便開始了。最後各級的冠軍分別由6A、5A、4B及3B奪得。

二〇〇九年一月十日是一、二年級同學的遊戲日。一、二年級同學大清早回到學校後便展開了賽事，其中一部份遊戲是由家長及同學們一起參與的。另外，還有一部份遊戲只是由同學參與。那天大家都玩得十分盡興，而每一個同學都獲得一份獎品呢！

環境教育活動

如過往一樣，今年小學部參加了一連串環境教育活動。首先，小學部全體學生參加了「一人一花」種植比賽，在同學們悉心栽培下，幼小的花苗日漸成長，從活動中學生領悟到大自然的奇妙和綠化環境的重要。

其次，學校加添了新一批回收箱，課室亦放置廢紙收集箱，使學生養成把廢物回收的良好習慣。此外，我們亦參加了舊衣回收，熄燈一小時和無冷氣日等活動，希望透過活動喚醒學生節約能源和減少浪費。

TIME TO CELEBRATE.....A WORLD OF GAMES, ECSTASY AND HARMONY IN MUSIC!

This year has been an unforgettable one for our students in terms of celebrative events. It has been a historical moment for us with the launching of our Open Days in December. Parents, alumnae, friends and teachers were proud to see our kids being so outstanding in organizing games and activities, decorating the school campus and even serving our visitors with professionalism. Our students have also benefited a lot in leadership through practical training in their critical thinking skills, collaborative skills and also spontaneity in problem solving.

Besides being capable as little leaders, our kids proved themselves to be also gifted in musical activities. We were cheered with loud applause in our two performances in the Musical Gala staged in the HK Polytechnic University in March 2009. The vitality and energy of our kids were fully explored in the "All For One Show" while the "Small World Show" symbolized how our multinational primary community flourished with harmony and unity. Bravo, RHS Primary kids, keep it up and continue to strive for excellence!

GRADUATION

To all P.6 students, graduation is the most memorable event in their six years school life.

Before the graduates start their new pages of their schooling, our school have prepared the Graduation Ceremony and the Graduation Luncheon for them.

The Graduation Ceremony was held on the 4th July. On that day, the graduates received the most important document from our Father Supervisor, which is the Graduation Certificates. Besides the presentation of the certificates, there was another important duty for the P.6 students, the "Passing on Duty". The duty represents the passing of "the Spirit of Rosarians" from graduates to the coming P.6 students. The ceremony ended with the singing of two farewell songs by the graduates to the school, schoolmates and parents. The screen showed the family photos of the graduates and it was the most touching moment in the ceremony. Because of the school suspension due to the influence of H1N1, the Graduation Luncheon has postponed to 5th September. After the summer vocation, the graduates have already become the secondary students. They all look more mature and dress beautifully. One that day, all graduates enjoyed themselves with the food, funny games and lucky draws.

Before we leave our school, let's take a photo with our class teacher!

Welcome to our Graduation Luncheon. Please sign your name first!

The cake seems very delicious!

Congratulation! Keep it up in your secondary school life!

Certificates are given to the parents to thank for their help in this school year.

Let's play a game before we start the buffet!

Yeah! I win the big prize!

北京運動交流團

我是6A班的吳宣宏同學，我很高興能參與這次由屈臣氏集團精心策劃的北京運動交流團。這次是我第一次到北京，心情既緊張又興奮。由團長帶領我們在機場浩浩蕩蕩出發的那一刻開始，我已深刻體會到團隊的力量和喜悅。北京五天的活動行程豐富精彩，令我獲益良多！除了有機會認識到國家隊運動員之外，還讓我擴闊視野和了解北京當地的風土人情和風俗習慣。當然，感受最深刻的，莫過於組員之間的互相關懷、互相勉勵和互相幫助的珍貴友誼。最後，我一定要多謝團長、校長、老師、學長和屈臣氏集團義工們的悉心照顧和安排，讓我們能享受到一次珍貴的交流經歷。

生命教育

「生命教育」——讓學生認識自己，改變自己。

訓輔組老師在本學年定下了不同的「月訓」，分別是：自律、尊重、欣賞、關心和包容，好讓學生能在個人及群性方面得到均衡的發展；同時亦設計了不同的活動去推行這些月訓。另一方面亦給不同級別的學生安排了不同的講座，如「中國的孩子」、「強身健體保腰骨」、「個人、食物及環境衛生」、「升中講座」及「青春期」等，使學生吸收到不同層面的資訊。

此外，校方更與駐校輔導主任合作，舉辦了「自尊小天使」的小組活動，從而提升學生的自尊感和學會尊重別人。

躋身「黃金屋」

圖書館的落成，踏入第二個年頭，圖書館藏書量已達九千多本。藏書類型包羅萬有，本館跟據「杜威圖書分類法」把書本系統化地分類；為使借還書系統更臻完善，本年度更進行詳細匯入書本資料的工作，全面進入電腦化，務求令同學能以最短時間，最有效地尋找自己喜愛的圖書，提倡自主閱讀風氣。

圖書館老師亦繼續為低年級同學提供圖書館課，包括「認識書本架構」、「體驗圖書分類」、「成為小小圖書館管理員」、「舊書新封面設計」及「說故事比賽」等。今年四月二十三日，我們更響應了「世界閱讀日」的號召，在早會時間講解世界閱讀日的意義。五十周年校慶開放日中，幼、小及中學學生均進入「圖書角」一起閱讀；舊生們興致勃勃地作為小學生演說故事的觀眾。他們每一位都寫下對學校的祝福，貼在「許願樹」上。未來的日子，我們將會繼續舉辦多元化及有趣的閱讀活動，希望小朋友能「隨時隨地，與書同行」。

學習村莊——網上學習

在米埔實地利用UMPC學習

除了周宇軒先生仍然定期來本校指導老師們怎樣通過合作學習，使老師與學生的學與教的質量得到提升外，我們引進了本地大學、語常會和教育局的資源與合作，使學生的學習範圍更廣闊、更精彩。

(1)協助小學中國語文教師建立專業學習社群計劃

我們選擇在小四中文科以「以寓言說故事」為範圍，與中文大學的研究人員一起構思教學方案、設計課程、找出學生的難處及訓練方法，務求提升學生的說話能力。由於學習方法活潑生動兼有條理，經過一連串的口語訓練後，學生的表達能力得到提高，能有條理地說出內容豐富的故事。

(2)建立數學科學習社群協作計劃

解答應用題一向都是老師和學生感到頭痛的課題。通過同儕以及中大的導師一起備課對於學生的學習問題，教材的掌握，制訂教學策略有提升的作用。當這個計劃進行時，同學積極參與從而建立良好的課室學習氣氛，令到學習能力較差的同學亦放膽去做。

(3) Scholar Drama-in-Education English Alliance

全體四年級同學每週一至二節用英語話劇的形式上英文課，導師亦到校指導。

(4) UMPC學習計劃

此乃由教育局資訊科技教育組推出的應用社交網站及超級個人流動電腦計劃。學生曾經到米埔自然保護區及香港科學館進行實地學習。

(5)學習村莊《港臺配對學校網上遊戲專題研習2008-2009》

此計劃為香港中文大學資訊科技教育促進中心在小學推行的計劃之一。為使學生好好善用網上資源，並體驗寓遊戲於學習的樂趣，「學習村莊」為學生提供了一個互相交流討論及共同建構知識的平台。計劃完成後將舉行港台兩地的結題大會及成品展覽，以及到訪台北，與台北師生一起分享學習成果。

嗨！西班牙！

梁綺雲校長

廿四年前，背囊團一行九人曾往歐洲走了四十多天，也到過了巴塞隆那及馬德里，是行色匆匆、是走馬看花。只留下一個感覺：太陽猛！天氣熱！今年四月的西班牙馬德里之旅，跟以前的不一樣！

復活節假期8-17/4，在馬德里停留了十天，這次的旅程是校監范神父主理兼籌劃，由於全程是當地導遊帶領，故與一般香港式的旅遊大不同。

在馬德里及附近地方停留了九天，到過道明會大本營及附近機構、到過白神父的姐姐家中作客、參觀了范神父朋友的酒莊、遊覽了附近的小鎮、看過了美術博物館、更深入地看了很多大教堂及皇宮；吃了很多地道的西班牙美食，當然也看了激情的西班牙賽馬舞。

在馬德里探訪了辦學團體道明會在當地的總部、教堂及社區中心。由於我輩身份「特殊」，就憑這「自己人」的親密關係，我們得以深入這三個地方的腹地，盡覽各不同單位的設施。三個地方的建築各有特色，由色到裝飾風格都全不一樣，各有美感，令人眼界大開，也增長了見識。本人極力推薦各位去看看我們的西班牙大本營，你會對玫瑰崗以外的道明會更有認識，更有好感。去前切記先與范神父溝通，一定有好指引。

有一個黃昏趕去看當地一個團體的復活節小巡遊，只見全隊人都統一黑色服裝及裝飾，有男有女、有老有少，都很嚴肅地做這件事。那景象就是復活節的憂傷感覺！（香港不會有這種感覺，我想，這是文化差異吧！）

西班牙當地導遊帶領的參觀方式與香港的不一樣，我們有機會深入大教堂及皇宮的重要區域，一覽那兒的歷史遺跡。包括主教堂、副堂、議事廳、起居間等...都是堂堂華麗，使人目為之眩。我們有足夠的時間近距離地看各建築物、人像及雕塑，大理石樑柱裝飾，氣魄宏大；而各主教及帝后等棺木，上置大理石雕像，真人等大小，都栩栩如生；他們的衣服、所睡的床褥、褶襖及厘士花邊，手工精緻細膩，彷彿仍隨着主人的呼吸而起伏有致，令人流連其中，讚嘆不已！

在美術館看到很多本地及外地學生團在學習，有中學也有小學，他們都很安靜，專注地，留心聽老師講解，年輕的臉孔與牆上的歷史巨作相輝映，靜中見生命力流動；青少年神采無敵，令人窩心。我在想，七月份定要帶學生來學習，來體驗。

這幾天吃的食物，一般而言都很厚重，味濃、份量大。西班牙小食則較易接受，款式也多！其中一天在某間著名餐廳午餐，吃著名的西班牙燒乳豬，是名符其實的小豬，店內客人全部都點了這道菜。是時候上菜了，只聽鈴聲一響，老闆往中央一站，不是用刀，而是用盛菜用的白瓷碟去切割燒好了的乳豬，切後，嘅的一聲，把碟摔在地上，叭啦！叭啦！禮成。大家拍掌、乳豬上桌，好好享用。唔，味道確是不錯！享用名菜後，乘車離去，就在一個交通十字路口，看見了一個銅像；噢！很面熟！原來雕像是燒乳豬老闆擲碟的造型。耳邊即時響起叭啦叭啦，碟碎在地的聲音；賣乳豬能賣到有肖像樹立於交通進點，成為一個地方的標誌，燒乳豬店的老闆也不枉此生了！

遺憾事發生於回程最後一天。我在大街上給小手扒去了相機，精心取景的五百多張照片都沒有了，這是悲！喜的倒是免去了回港要處理數百張照片的重擔，有種輕鬆、瀟灑的感覺。所以，各位，照片欠奉！

會再去西班牙嗎？會！因為這次還沒有去里爾包看古根漢博物館，也沒有好好欣賞市區內的新舊建築物；旅遊車經過新舊區，只見兩旁建築物都有特色，有氣勢，不愧是世紀大國，也不愧是畢加索等創意大師的老家，真要好好的一下！西班牙，我必再來！

我們的驕傲

小學對一個小朋友來說是一個重要的階段，能夠在小學建立穩健的根基，對日後的成長也有很大的幫助。一直以來小學部培養出不少精英。過往我們除了收到不少中學的報喜信件外，亦收到一些家長的感謝信。例如於本校小學部畢業的靈穎彤同學，今年在香港高級程度會考中得到優良的成績，並成功考入中文大學，這都是值得我們驕傲的事。

Dear Ms Leung and Father Francisco,

First of all, I hope this email finds you well and things are well at RHS. I would like to express my heartfelt thanks to RHS, in particular to Vanessa's teachers for all the knowledge that was being so unconditionally passed on. It was only with all the solid foundation that was being layed in her years at RHS that made her an outstanding pupil in Singapore today. (Vanessa is currently schooling in one of the top primary schools with great potential in joining an elite secondary school in the near future). Please find a shot taken for Vanessa receiving her bursary from our local Legeo member. She was being awarded the bursary for being one of the top 25% students in the whole of Singapore last year. She got SGDS200 for her hard work and this amount can be used towards purchasing text books or uniform or what odds she needs. Thank you once again and would appreciate if you can kindly let all the teachers know that Vannie misses you and her ex-class a lot. She hopes to be able to visit the school when we next visit HK.

Blessed, very sunny and dry lion city.

PARENT-TEACHER ASSOCIATION

2008/09 marked the 10th anniversary of primary section's parent-teacher association. A simple cake-cutting ceremony was performed to celebrate the event on the evening of 7th November 2008 – immediately before the 10th annual general meeting. We were glad to have Ms. Theresa Wong, Ms. Isabella Chan and Ms. Edith Poon, to be our guests of honour. Ms. Wong and Ms. Chan were the Chairlady and Vice-Chairlady of the first Executive Committee respectively. Ms. Poon, our ex-Deputy Principal, had served as Vice-Chairlady for the first eight years of the Association.

The Joint PTA Lunar New Year Fun Fair was held on 24th January 2009 with lively lion dance and drum performance by the students in the opening ceremony, various fun game stalls, the yummy festive snacks prepared by the parents, as well as the enthusiastic marketers at the lai-see-origami and photo booths. A sum of \$33,292.30 was raised from the event, which has been fully donated to the Dominican Order for constructing schools in rural Yunnan Province, China.

SPEECH DAY

This year's Rosaryhill School (Secondary Section) Speech Day was held on 23rd May (Saturday) from 3 PM to 4:15 PM at the school hall. This year, Our school was honoured to have Hong Kong Baptist University's President, Professor Ng Ching Fai, to present a speech and to honour our graduates. Furthermore, we were delighted to have the encouraging participation of so many parents, friends and teachers to help celebrate the success of all Secondary 5 and 7 graduates.

The ceremony began with the ceremonial party procession that featured all of the teachers in their graduation gowns. After the school song, the director of the Department of Religion, Father Vicente Sanchez, gave the blessing. Then, our principal, Mr. Francis Tsung gave a welcoming speech and briefed our guests about the school's education system. This was followed by a graduation speech by our guest of honour.

In his speech, Professor Ng, mentioned how the success of Rosaryhill School came from

the staff and students' continuous hard work and willingness to tackle new challenges. He further encouraged the graduates to widen their knowledge, and pursue lifelong learning which could enhance access to education for career advancement and personal development. He believed learning is an endless process. Success demands our best efforts, so that we can face ever changing developments within our society.

Professor Ng went on to identify further secrets for success to our graduates. First, language proficiency is particularly important as it enhances our competitiveness. Second, we need to equip ourselves with leadership skills to face the challenges ahead. Third, we should practice independent thinking on subjects surrounding us. Finally, Professor Ng gave his sincere thanks to the parents and teachers for their continuous support for the students' achievements.

The highlight of the event was the presentation of certificates and prizes. Professor Ng

distributed certificates and presented the prizes to the students with outstanding achievements in the past year.

After the presentation of all awards, the attendants stayed for the talent show programmed by our students. First, to perform was our first runner-up in Solo Verse Speaking in the 60th Hong Kong Speech Festival 2008, Cherry Yuen. Then, Wong Ho Si, who obtained the Championship in the 60th HK Schools Speech Festival, performed the work, "Flowers on the Grassland". Finally, Wu Pak Yin performed the song, "High Flying, Adored from Evita" from the musical Evita. This year's graduation ceremony came to an end with everyone excited and full of happiness.

中國語文教育

中國語文科

本年度中國語文教育組的活動可謂多采多姿，既能配合學校關注事項，亦能擴闊同學的眼界。

首先在第60屆校際朗誦節中，參與比賽的同學超過二百多位，為歷年之冠。比賽共獲兩項冠軍，兩項亞軍及兩項季軍，成績美滿。其次在五十周年校慶中，科組設置的攤位，包括「甲骨其源」、「一字千金」、「看圖識字」、「普通話測試區」等，深受來賓的讚許，同學們也玩得異常投入。在春節前後，科組舉辦了「寫揮春」和與中文學會合作舉辦了「燈謎競猜」活動，學生反應熱烈。三月中旬，「語文嘉年華」及「中一成語日」可謂盛況空前，禮堂擠得水洩不通，同學們積極投入的態度，令人欣喜。

至於與圖書館合辦的活動則有十二月中旬的「閱讀比賽」，參賽人次達206人，作品水平不錯，部份優勝作品更在校外比賽中獲得獎項。而家長教師舉辦的「徵文比賽」，也於三月份圓滿結束。在科任老師的推動下，報名人次達450人，比賽作品也令人滿意。

本學年是本組的豐收年，除了獲得不少獎項外，各位同學的投入和參與更令人鼓舞。期望來年舉辦的活動，能繼續得到老師和同學的支持，令本組活動辦得更聲有色。

普通話科

普通話科課程以訓練學生說話及聆聽能力為主，輔以拼音及語音知識的教授，多年來，學生於公開試均獲得優良成績。今年特別注重鼓勵學生參與多元化活動：如普通話交流日、朗誦、講故事與演講比賽。近年致力訓練集體朗誦，獲得不俗成績。

本年度學生參與活動及比賽表現如下：

ENGLISH LANGUAGE EDUCATION

S.3 Cross-curricula Project

This year all S3 students took part in a cross-curricular project jointly organized by the English Department, Visual Arts Department and IT Department. Students were first exposed to different genres of poems. They were given chances to write a poem individually, in pairs or groups. The writing of poetry encouraged creativity to run wild, with less conventional restrictions on grammar and vocabulary usage. Students had exposure on the features of rhyming patterns, stanza and emotive delivery of messages with attention to use of choreography and voice projection. The poem that best reflected the class' effort and ingenuity were selected as that class' poem. Next, students worked on the pictorial presentation of the poem in their Visual Arts lesson. Computer effects were added to make the poem more visual and interactive in the IT lessons. To verbalize their creative work, the class presented their poem orally in the Interclass Choral Speaking Competition. Students were given opportunities to develop their creativity and hone their language and artistic skills through collaboration with classmates.

Inter-class Activities

This year, different inter-class activities were held to increase the competitive spirits and students' confidence in verbalizing the target language in different forms (i.e. choral speaking in S.3, English song singing in S.4 & 5, debate in S.6 and impromptu talk in S.7). Though most events were held at lunch hours with time constraints, the atmosphere was motivating and participative. Teachers helped training up the whole class and students learnt to show respect and support for fellow students. All the S.4 classes put on an amazing performance by delivering the lyrics and music in English. Although we were not professionals in holding musical events, the atmosphere was enlivened by the devotion of both teachers and students. The S.6 classes, however, were involved with a more wordy endeavor. They turned words into swords by engaging in the inter-class debates. The two motions were, "University education guarantees a well-paid job in the future" and "Idols have negative influence on youngsters". Students were guided to work on a debate speech with the input from class brainstorming and discussions. It was a great chance to sharpen use of language in a formal setting and critical thinking skills on social issues.

Open Day Celebration

To celebrate the Golden Jubilee of the school this year, an English Room was set up for game counters and

exhibitions. The aim was to share the joy of learning through interactive games and to showcase learning effectiveness through subject-related displays. Students helped out as English Ambassadors in greeting guest visitors. People took time to mingle and appreciate the student work displays. The three game counters – rhyming, riddle and tongue twister were designed and prepared by teachers. They were designed to promote the joy of learning English. The English Room was filled with amusement and laughter and good memories of the day were assured.

Speech Festival

This year, more than 100 students participated in the Speech Festivals, showcasing solo verse and prose reading. With the exposure to a formal competition with participants from other schools, students' confidence and interest in using English was greatly strengthened. Among them, 56 were awarded the certificate of merit (above 80 marks) and 21 students received the certificate of proficiency (75-79 marks). Four students obtained the 2nd place and five students 3rd place. Thanks to teachers for their time and efforts in coaching and rehearsing on manners of interpretation and delivery.

S.1-2 Student Phonics Workshop

Thanks to funding under the English Enhancement Scheme, an 18-hour phonics workshop was run during English lessons for all classes in S.1 and S.2. The workshop aimed at enabling students to acquire pronunciation techniques and vocalize English with confidence. Tutors from an outside service provider conducted the lessons with input from our teachers. Students were given opportunities to be exposed to more authentic language use, with a heightened awareness of articulation of sounds and spelling skills.

English Drama Show

Two drama shows were run for the junior and senior forms. The themes were on environmental protection ("Ooops, I killed a Penguin") and English literature ("Shakespeare in Town"). The shows were charged with energy and entertainment, with good exposure to language arts elements. The highlight was our students being invited onto the stage and becoming part of the performance. The shows ended with an interview with the members of the drama group on their views as drama players in Hong Kong. Pre and post show activities and materials were designed to increase students' abilities to reflect upon the themes and messages conveyed.

MATHEMATICS DEPARTMENT

Mathematics Quiz

As a popular and intriguing annual event, the Mathematics Quiz held from 16 to 19 March 2009 by the Mathematics Team attracted 144 students from S.1, 144 S.2 students, 164 S.3 students, and 216 S.4 and S.6 students, amounting to nearly half of the students in the secondary section.

The Quiz is divided into two sessions. In the first session, there are three 5-minute individual rounds with all questions relating to Mathematics IQ whereas in the Group Event, there are three categories of questions, including Mathematics IQ questions, "Sudoku" (數獨) and "Four Piece Tangram" (四巧板).

One of the most encouraging aspect of the Quiz was that some students have participated in the Mathematics Quiz continuously for four years. This reinforces the hope that the Quiz continue and that more students will participate in it next year's Quiz. Let's embrace the notion, "Learning Maths is fun!"

PERSONAL, SOCIAL AND HUMANITIES EDUCATION

The PSHE Team aims to cultivate good characters in students and to instill in them positive personal, social and civic values and a spirit of self-motivation and life-long learning. Our aim is to increase our student's awareness, moral reasoning, and judgement of real-life social issues in our city (Hong Kong), our country (China) and our world from geographical, social, economic, historical, cultural and spiritual perspectives. We do this by launching a variety of activities by the Integrated Humanities, Chinese History, Economics History, Geography, and Religious Departments respectively.

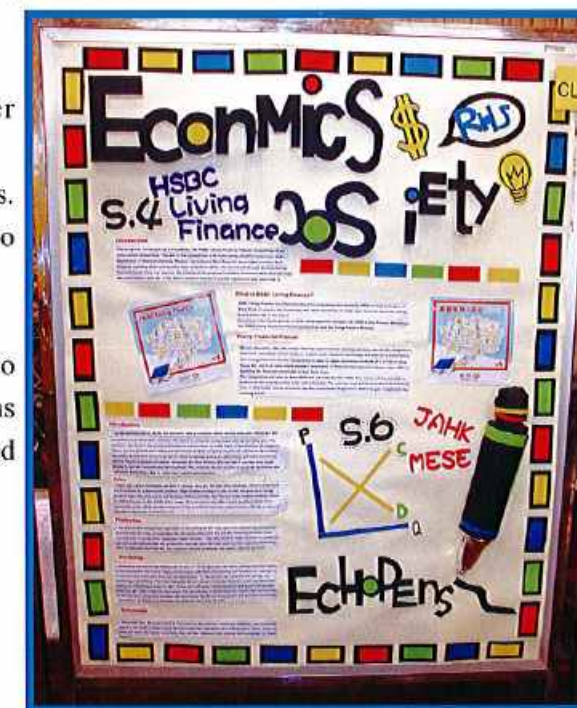

ECONOMICS DEPARTMENT

This year, a group of Secondary Six Economics students joined a program, **JA Management & Economics Simulation Exercise (MESE)** 學生模擬管理計劃, organized by the Hong Kong Bank.

This is a computer-simulation program in which secondary students compete as business executives in a simulated market to achieve profit maximization. Students must make five key decisions in an attempt to gain market share. They must:

1. Set a **price** for their EchoPens.
2. Decide how many pens to **produce**.
3. Spend money on advertising and other **marketing** efforts.
4. Invest in **capital equipment** for their factories.
5. Decide how much money to invest into **research and development**

The program aroused students' initiatives to think carefully and logically, and make decisions seriously and strategically. They also appreciated that team spirit was a crucial key to succeed.

GEOGRAPHY DEPARTMENT

In order to promote our students' awareness of environmental conservation, showing **RESPECT** to our nature is the main theme of our activities this year.

In S.3, the 「保護熱帶雨林關注全球增溫」海報設計比賽 and 「廢物利用」製作設計比賽 are organized.

Our CE and AL Geography students had a one-day field study course at the wetlands around the Mai Po Marshes and Inner Deep Bay in September 2008 and May 2009. On the day of the field study, students studied the topic "Urban Planner at Deep Bay" through a wide range of learning activities, which included wildlife observation and identification, group discussion and role play. The field study was not only enjoyable but also very worthwhile as an educational experience for students on the wise use of nature and natural resources.

HISTORY DEPARTMENT

To explore the Fun and Meaning of History!

Have you ever got our beautiful bookmarks and played our interesting games during the 50th Anniversary Open Days? On these two days, we also displayed students' winning projects in the inter-school competitions over the past ten years. Their excitement of exploration and discovery of History were vividly told in their projects. Besides, we also designed some assignments on "Respect" for our students which promoted their critical and creative thinking. This year, over 30 students with good performance in History were awarded in the PSHE Prize-giving Ceremony.

中國歷史科

我們相信學生積極參與多元化的歷史體驗活動，必定能激發其研習的興趣。近年，本科與外界團體持續合作，讓學生有更多機會走出課室，拓闊視野。繼去年「南京大屠殺70周年」，今年適逢五四運動90周年、六四二十周年及建國六十周年，確是讓同學認識中國過去的好時機。今年舉辦的學科活動包括中三級電影欣賞《南京南京》、《五四運動》展覽、參加浸會大學舉辦《我的五四》講座及中華百年活動系列與教育評議會合辦之《六四教與學》講座。另外在參觀及考察方面，則舉辦了「海防博物館」及「灣仔鬼故考察團」，同學參與者眾。

另外在提升同學公開考試能力方面，應屆的中五及中七考生分別參加一月及二月由中國歷史教育學會主辦之「聯校模擬考試」，全港參與的中學生多達二千人及三千人。我校的學生從中感受考試的氣氛及刺激溫習的動力，對備戰會考有很大幫助。

綜合人文科

今年，本科舉辦了一系列的比賽以提高同學對學校、香港及祖國的尊重及認識。

- 中一級『我愛香港』標語設計比賽
- 中一級『中國概念』書面設計比賽
- 中一級『學校篇』書面設計比賽
- 中二級『中國文化面面觀（中國各地飲食特色）』小冊子設計比賽

宗教科

本年度宗教科除常規課節外，同時提供不同活動予同學參與，包括中一級別的十字架創作；中二級別的聖經漫畫及筆筒設計；以及中三級別的青少年十誡創作。透過這些研習可以使同學在更活潑及多元化的活動中體會到基督的信仰和上主的關愛，而各項作品亦已在宗教週及學科展覽中展出。

另外，本年度宗教科特別給中四乙班羅顯熾同學頒發熱心服務獎。羅同學在本科成績表現理想，而自中一起已是本校輔祭會的熱心會員，一直帶領著其他輔祭在各項宗教活動中服務，故此十分值得被表揚嘉許。

SCIENCE EDUCATION

PHYSICS DEPARTMENT

S5 Physics Re-mock exam

In order to enhance S5 students having a better preparation in HKCEE Physics, "S5 Physics Re-mock exam" was organized on 7th Apr, 2009. 97 students participated in this activity. They thought the examination and seminar was very helpful for getting them prepared for the public exam.

S4 Inter-class Reading competition

So students could prepare for the reading Physics articles in HKCEE, an "Inter-class Reading competition" was organized on 7th, May 2009 for S4 students. The response from students was satisfactory and they seemed to enjoy the atmosphere of the competitions.

Seminar on Respect (jointly organized by RS and Phy Department)

The forum aims at helping students to make contact with different perspectives on one topic/issue. We try to develop a positive attitude towards the development and application of Science and the awareness of the importance of respecting others and our environment to our students through the talk.

CHEMISTRY DEPARTMENT

In December 2008, the Chemistry Department arranged demonstrations on the theme, "Chemistry Words". Different methods of writing and printing involving blue-printing, electroplating, redox reactions and precipitation reactions were shown. The demonstration attracted a lot of students, alumni and teachers and was very successful.

BIOLOGY DEPARTMENT

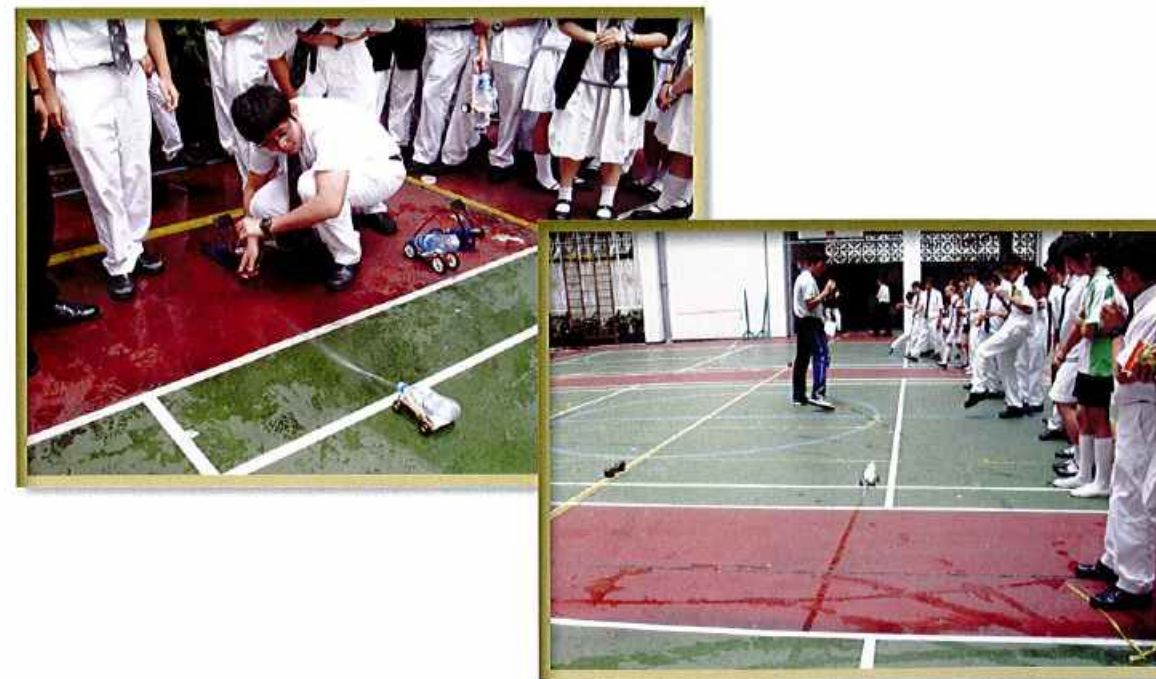

Open Days Activity - Health Life Style

- Students were well trained on how to measure some health indicators e.g. height, weight, blood pressure, heart beat, percentage body fat and BMI etc. A summation of individuals' health conditions using the above health indicators was then able to be made. The bad effect of smoking on health was also demonstrated.

INTEGRATED SCIENCE DEPARTMENT

The "Water-Powered" Car Design Competition provided students a good chance to use what they had learnt in Science lessons to make their own toy. The title of champion went to the students whose water-powered car could run the longest distance. They needed to consider factors such as "force", "friction", etc on their design. In the competition, students could solidify their learning through the application of knowledge in the area of Science. Most students participated and enjoyed the competition.

TECHNOLOGY EDUCATION

HOME ECONOMICS DEPARTMENT

All junior students at Rosaryhill School (Secondary Section) have to take Home Economics and Needlework; in which they learn about food and nutrition, home and family, design and development of dress sense as well as garment construction and textiles. All topics are very useful, not only for the classroom, but for life. Most of the students enjoyed the lessons very much, especially the practicals. Let's have a glimpse of their lessons.

COMPUTER DEPARTMENT

Typing is not just practical, is fun too. This year, S1 to S6 levels students joined an inter-school Chinese Typing Competition “和富港澳中文打字比賽龍虎榜” in February. Students really put a great effort in obtaining their best results in the competition. Finally, from 127 schools, and more than 2700 competitors, our students obtained a great result. Congratulations to all winners.

Level	Name	Best Result	Award
S1	何國棟 Ho Kwok Tung	135 wpm	First Runner-up

Throughout the year, junior form students learn to use different software. Students use their IT skill to design iron-on posters and PowerPoint presentations. Students really enjoyed the creation and showing of their talent.

ARTS EDUCATION VISUAL ARTS DEPARTMENT

I. Visual Arts Exhibitions 2009 「視藝展覽」

1. RADIATION – S.7 Graduates' Visual Arts Exhibition 「小畢點」

The exhibition was named “小畢點” in Chinese, which means “tiny dot” and signified each student as a tiny dot gathered collectively; it also represented a full stop, symbolizing how this exhibition perfectly ended their secondary school experience. The English name “Radiation” signifies how they, as art students, attempt to use their artistic gifts to show their individual ideas and spread their creativity; allowing their thoughts to ‘radiate’ to the people around them. As a crew of sixteen aspiring artists, they eventually come up with this exhibition by congregating each of their inputs. The theme for the exhibition was “love and care for our local community”. The theme was expressed through artworks of various genres that aroused people’s awareness of preserving the local community. The exhibition ran from the 3rd January, 2009 to the 12th January, 2009.

2. ROSARIAN ART SHOW 2009 「崗藝匯展」

The Rosarian Art Show displayed various artworks from Rosaryhill School Secondary Section. These illustrated the creative style, personal expression and presentation skills of Rosaryhill School students. It also showed how our school’s young artists are energetically developing their elegant creativity, exploring the media and preparing for personal challenges in future. The show ran from 16th May, 2009 to the 22nd May, 2009 at the Artland Gallery.

中文學會

眾所周知，中國文化源遠流長，我們身為炎黃子孫，必須要對其有一定的認識及了解。中文學會就是透過舉辦豐富有趣的活動，令學員們對中國文化更加了解，並引發他們對中國文化的興趣，以至於他們能在課餘時間能夠繼續下工夫去探索及鑽研博大精深的中國文化。

在短短的一年裡中文學會曾經舉辦了很多不同類型的活動，包括象棋、畫臉譜、作詩、猜謎、元宵節燈謎及聚餐等等。每次活動之前，各幹事會就活動進行簡介及講解一些與活動相關的文化知識。學員均認真聆聽，積極參與。活動進行的時候，氣氛十分熱烈，歡聲笑語不絕於耳。不少學員甚至自此對中國文化產生濃厚的興趣。不僅如此，學員們亦透過這些活動，彼此之間收穫了一份深摯的友誼。

希望在不久的將來，有更多同學加入中文學會，並與我們一同舉辦及參與更多豐富多采的活動！

MATHEMATICS SOCIETY

This year, the Mathematics Society had its regular meetings after school every Thursday. The main group of members was S6 students. There were also some S4 and S1 student participants. In each meeting, they joined efforts to solve their mathematical questions. What's more, we played some Mathematics games such as "Sudoku", "Rummikub", "Rush-hour", etc. They were particularly interested in playing Rummikub which can not only can train their independent thinking skills, but also enhance their sensitivity towards Mathematics. Because of this, we recommended 10 students for the territory-wide Rummikub Competition. Two of them managed to enter the Final!

We also organized parties at Christmas, New Year and the end of the academic year in which we played games like "Calculation Contest", "Mathematics Games Quiz", etc. There was plenty of food at the parties and every single one of us enjoyed oneself to the fullest.

LIBERAL STUDIES SOCIETY

Liberal Studies Society aims to enhance students' awareness of contemporary issues, broaden their horizons by participating inter-school competitions as well as developing students' critical thinking and research skills.

This year, Liberal Studies Society participated in several inter-school competitions, including 「無毒真高手短片創作大賽2008/2009」 and Consumer Culture Study Award 2008-2009. Members attended the workshop organized by the RTHK on drug information and script writing in November 2008. Though their proposal was not able to bring them in the final competition, they got an unique experience in creative script writing. While two groups of S.1 students participated in Consumer Culture Study Award and one group finally were commmentated with certificates.

Defeat is not the worst of failures. Not to have tried is the true failure. That's why our members always take a try in different inter-school competitions.

SCHOOL ENSEMBLE

The RHS Ensemble is a group of hard-working and disciplined music lovers. We are proud of our team spirit. On most Tuesdays after school, we practice in the Music Room. Both group and solo pieces are in our repertoires. Performing and feedback from each other has helped to improve our techniques and enhance our experiences and confidence in music playing. When we are ready with some music pieces, we play at different venues in the school campus. Hope to see you somewhere someday. All music instrumentalists are welcomed to join us.

RED CROSS YOUTH UNIT 48A

Introduction

Our Red Cross Youth Unit aims at protecting life and health, serving the community and putting the spirit of humanity into action. Throughout the year we attempted many challenging activities to enable our members to attain personal growth.

Service

We contributed in various ways to achieve our unit's aims. We served as first-aiders in different school events such as the Athletics Meet, Swimming Gala, Cross-Country Competition and RHS Tournament. We also provided regular training in such things as drilling, knotting and first aid knowledge for the junior members of the primary section. We also joined the School Health Ambassadors Programme and set up a games stall to introduce CPR knowledge and promote AIDS education during the school's Open Day.

Training

A variety of training courses were provided for our members by the Red Cross headquarters, such as First Aid, CPR, Home Nursing, Health Check, and Leadership Training. We arranged Youth Basic Training, the Elementary First Aid Course and Drill Course at regular meetings for our new members. In order to formulate members' team spirit, 20 members participated in the Drill Competition and performed in the Golden Jubilee Music Gala.

Friendship

A number of friendship activities were held this year. They included an orientation day for new members, a football competition, and a BBQ gathering with YU8 and YU30. These provided opportunities for our members to meet new friends.

Achievement

Our unit obtained encouraging results this year. We received Merit in Training Shield, and the Award of Active Participation in Flag Day 2009. The Section Leader, Tsui Chung Hin of S5C was also awarded Merit in Red Cross Youth of the Year 2008. These awards/achievements displayed our efforts throughout the year.

SCOUT

Scout organized challenging and progressive training programmes to our members for their physical, intellectual, social, spiritual and aesthetic development.

Our members provided services to the school community during many functions, such as the Swimming Gala, Athletic Meet and Cross Country. They also took part in the 50th Anniversary parade performance and the S1 Uniform Group Parade. 2008-09 was indeed a fruitful year for our school.

GIRL GUIDE

This year, the members of Girl Guides came from different forms (S.1 to S.6), and our meetings provided a great platform for students to develop strong bonds and friendships. The senior members mainly participated in activities that involved the development of leadership skills, while junior members learnt the basic skills such as decoding, marching and eight point programs.

The three major activities this year were:

1. Raffle Tickets Selling

Through the inner and outer school promotion, the amount of \$3990 was raised.

2. 50th Golden Jubilee Performance

Marching of horseshoe formation was performed.

3. Uniform Units Parade

A year ending parade that celebrated our efforts and achievements made throughout this year.

Hopefully, our year round activities allowed the girls to develop personal social, intellectual and emotional aspects.

GREEN CLUB

The Green club is organized by a group of Student Environmental Protection Ambassadors. The club aims to promote environmental knowledge and skills for schoolmates. During this school year we held environmental visits, talks, a pollution-free barbecue etc. We would like to promote environmental awareness to our members and encourage students to develop a green culture at school.

制服團隊大匯操

制服團隊大匯操於五月二十三日舉行。雖然當天天氣未如理想，整天下著毛毛細雨，大匯操未能如常在操場舉行。但在天主的帶領下，負責的老師及各制服團隊的隊員以隨機應變的能力，於短時間內便適應了禮堂的環境。當大匯操正式開始後，所有制服團隊的隊員都穿著整齊而又醒目的制服，隨著嚴肅的音樂，精神抖擻地邁步向前，周遭瀰漫著興奮的氣氛。所有的家長、老師及學生都高度讚揚他們整齊而合拍的步操匯演。所以，這次制服團隊大步操的成功應歸功於各隊員的努力，而各制服團隊的負責老師，他們在背後亦付出了很多時間和精神去訓練每一位隊員。我們冀望來年能繼續舉行這項活動。

S3A Class Poem

Computer Games! I Love You!

Bam! Bam! Bam! Bam!
Jiu! Jiu! Jiu!

How excited I am
When the monsters are killed.

Meet the zombies in Biohazard.
They are funny and bad.
They bite you hard
And make you mad.

M4s to kill,
Make them real still.
Let's beat and win,
Put them in the rubbish bin.

Eat them up when you're hungry.
Your energy restored.
And powerful you are
To fight them back once more.

Playing all night long,
It makes me feel slack.
I don't know what's wrong
When the screen turns black.

My mother is screaming.
And no, I'm not dreaming.
I'm sure I will be dead.
She's the zombie I most dread!

The game is now over.
My world has no colour.
Tomorrow after school,
I'll fight again with honour!

S3E Class Poem

Four Seasons

Spring is wet and warm,
Always surrounded by a swarm,
Flowers bow and sway,
Birds come and fly away,

Summer is hot and "shine",
Typhoons come to say "hi"
I want to drink iced tea,
Now is the time to go to the sea.

Autumn is cool and dry,
Leaves are flying in the sky,
Children are playing on the ground,
Now is the time to climb around.

Winter is cold and dry,
Santa Claus is on my mind,
Children like this time
because they can all receive a prize.

S3F Class Poem

My classmates are wonderful.
We share our pain and joy.
Noisy, naughty and nosey
Are all the girls and boys.

When the principal walks around,
We never make a sound.
He thinks we aren't lazy.
Indeed we're very crazy.

Derek who sits at the far end
Is shooting rubber bands.
Jet and Max
Are sending SMS.

Jonathan is rocking on his chair.
Timothy is playing with his hair.
The classroom is always dirty
Because nobody does their duty.

When Miss Hui stands at the door,
She almost wants to roar.
She closes her eyes and sighs.
We don't want to make her cry.

The teachers say we are talkative.
But we are also creative.
Although we are noisy and messy,
We're quiet when we're sleepy.

Though we always make troubles,
We got high marks in the tests.
We enjoy every moment together.
My classmates are the best!

玉蘭花

何柳婷 中六丁

我第一次遇上玉蘭花，是在我五、六歲的時候。我家旁邊種了一棵有三層樓高的玉蘭樹。那時正是春雨綿綿的月份。由於玉蘭花未開，外形極像一顆杏仁。草青色的花苞包圍著淡淡的玉白色花瓣，優雅而脫俗。我的母親名叫玉蘭，因此她尤其喜歡玉蘭花。還記得那時她經常帶著我和姐姐爬上玉蘭樹上採摘還未盛開的玉蘭花。

其後，玉蘭花終於盛開，花苞散散落，花瓣從四方展開。站在玉蘭樹下，陣陣的清香撲鼻，散溢著沁人心脾的幽香。玉蘭脫俗的香味令我感受到一股不能言喻的典雅氣質。不過我還是最喜歡未盛開前的玉蘭花，就如少女正值青春少女的年頭，純潔動人。

在繁華的城市中已經很難再看到玉蘭樹的蹤跡。偶爾一次在天橋下看到一位老伯伯捧著一盤未盛開的玉蘭花兜售著。久違的玉蘭花的香味湧上心頭，腦裏浮現出母親溫柔的面孔……知道嗎？玉蘭花的花語其實是愛意。每當我嗅到玉蘭花的清香，就如呼吸著母親對我一絲一絲不求代價的愛意。

俗話說：「男兒有淚不輕彈，只因未到傷心時。」
但是，為什麼身為男兒有淚卻不能輕落？

「把我的鉛芯筆還給我！」小孩扁著小小的嘴巴，倔強地瞪著眼前比他長得還要高的小男生。「我偏不還，你有本領就自己過來拿吧！」小男生把拿著鉛芯筆的手舉得高高，小孩根本就是沒辦法搶得他拿在手裏的鉛芯筆。淚水在小孩的眼眶中打轉，幾乎快哭出來。小男生吐了吐舌頭，「哈哈，你是矮冬瓜、武大郎、矮冬瓜……」忍不住奪眶而出的淚水，一滴一滴的落在小孩的衣領上……「我不是矮冬瓜，你快還給我，嗚……」爸爸跟他說過男生不可以愛哭，可是這是他最喜歡的鉛芯筆呀……

「又不合格！」一個微胖的中年女人厲聲斥道。她的身子不住地顫抖，雙眼透著濃濃的怒意。旁邊站著一個瘦弱的小男生，他已經小學五年級了。自從上了小學五年級之後，他的數學測驗總是不合格。母親氣得兩眼發直，順手拿過衣架，不停抽在小男生的身上。小男生咬著牙，強忍著痛楚，可是眼淚還是不爭氣地掉下來了。「看看你，身為男生卻哭成這樣子……哪裡像樣！唉！」母親看見小男生哭得泣不成聲，一下子心軟下來，氣也消了。小男生一面吸著鼻水，一面認真地道：「媽媽，我……我不哭了。我向你保證，我會做個又堅強又成功的男生，令你驕傲！」

男孩搖身一變，長大了。他剛毅的五官，高大挺拔的身材，舉手投足之間流露出的帥氣，使他成為大學中最受女生歡迎的男生。「我們分手吧！」那天，他一直深愛著的女生，只是丟了這句說話給他，之後就牽著別的男生，從他的視線中漸漸地消失了。他不知道他犯錯了什麼，女生們不是常說他是「好男人」的嗎？他愛她，卻不會去挽留她。他知

道，他唯一可以為她做的就是默默的祝福她。淚，並沒有流下來。他只是甩一甩頭，又繼續他日復日的生活。彷彿，她只是他一生中其中一個的過客而已。

「鈴鈴鈴……」手機鈴聲響起，他看了看來電顯示，按下接聽鍵，電話中傳來急促的女音，不消一分鐘，他的臉色一下子變得慘白。「唧唧唧……」電話結束了。他彷彿晴天霹靂般，不願去相信事實，他的手微微的發抖起來，腦袋驟然空白一片。這個打擊，實在令他無法承受。彷彿，她就在他的眼前，眨著那雙水靈般的眼睛，打趣地對著他說：「你呀！不要像小時候般，再動不動就流淚，一點也沒有男子氣概呢！」那個他曾經日思夜想的女生，那個他曾經想用一生守護的女生，那個他從小就喜歡上的女生……原來一切一切，並不是她有意負他的。

一顆顆晶瑩的淚珠，從他的臉上滑下來。身旁年邁的母親，只是以指輕輕地擦去他臉上的淚痕，靜靜的伴著他渡過了一整晚。

一整晚的無眠，記憶中浮起了小時候的畫面，父親曾說過：「作為男生，不可以這麼容易就掉眼淚呀，知道嗎？」那時的他，回答不知道。父親也只是笑笑地說，將來的他就自然會明白。

俗話說：「男兒有淚不輕彈，只因未到傷心處。」誰說男兒有淚不能流？敢笑敢哭，才算是真性情。我們，都是用著淚水滋潤世間上的真善美，用著淚水去祭奠痛苦和哀傷，用著淚水去溫暖苦痛的靈魂。也許，有了淚水，我才算是真正的我。

Rosaryhill School is celebrating its 50th anniversary this year. Suggest 3 items that are meaningful to you, your class and your school to be put in a time capsule. It is to be sealed and re-opened 50 years later by your future schoolmates. Prepare a speech to present the items to your fellow classmates, convincing them on your selections.

Dear Fellow Classmates,

Fifty years is indeed a very long period of time and this year our school is going to celebrate her 50 anniversary. As you all know, we are going to prepare three items to be put in a time capsule. It is such a great opportunity for us to share our most unforgettable and meaningful memories with our future schoolmates who will be the one to seal and re-open it. May I now share my ideas of the three items that I believe all of you will like them.

First of all, I would like to put a photo book that contains the photos of our classmates, teachers, school lives and the outlook of our school. They are captured in the class gatherings and picnic, etc. they are our most enjoyable memories we have shared throughout this year. This photo book can give the future generation a glimpse of our school lives and a chance for them to compare and reflect on their own. I want to show them how happy we are and the joyous moments we share. Don't you think it is a good idea?

For the second item, I would suggest the two school magazine 'Rosarian' published by our schoolmates. There are good collection of articles of the important events that are held in school such as the Swimming Gala, the Haunted House and Golden Jubilee Open Days. This can show our future schoolmates what we are doing fifty years ago. I think this will be very interesting and meaningful to both them and all of us. I strongly believe that no matter how many years we are apart, we still share the same sentimental feeling towards our beloved school.

Last but not least, here comes the last item I would like to show you it is a CD recording of our school song, prepared and sung by the whole school. I think most of you are shocked, right? Thinking how stupid the idea is right? Wait, be patient, let me finish my speech and you will understand my reason behind. The school song represents the spirit and goals that our school want us to learn and achieve. It has accompanied our schoolmate since the school was first built. The lyrics are encouraging and the melody of this is fantastic too. It is every essential duty for us, as the past generation, to pass it is like a torch of values, love and care that we the old generation, treasure and pass it the new future generations. Through the School song, I want them to think deeply how much the school has always act as our shelter, how the teachers love and care about us. So, please don't feel embarrassed or shy when you sing the song. I truly hope that our heart felt message can reach them unmistakably.

Fifty years will soon pass away, may god bless our dearest school. May she continue to watch over us through generations at the top of the world. And I hope that after fifty years, we can all get together and witness the exciting moment of opening the time capsule. Thanks you for listening to my presentation and I urge you to consider and accept my suggestions.

Who do you respect most and why? What do the people you respect do to gain your respect? How different is their behaviour or actions to people you don't respect?

I respect my father most because in my heart he is a super man. He can handle everything for me and my family. He faces all the difficulties of life with a smile and calmness. He is a good father also he loves me from heart, he cares about me, he plays with me even when he is busy, he always talk to me and listens to my problems.

The people who gain my respect are the people who know how to respect others, care others, the people who pay for others.

There are also some people I don't respect, like the people who are always proud of because their richness and power, the people who don't know how to care, love, listen to others. And last, I want respect people who respect others with their heart.

中文初級組 冠軍 真沒想到……

1E 劉元霜

香港的天氣，真是讓我大吃一驚。我是一個從小就生活在一個穩定氣候裏的孩子。我們那裏的天氣，可不會變臉。天氣報告中說的是晴，就是一天的晴；天氣報告說了陰，就是一天的陰。這是我第一次來香港的真實遭遇。

那天，天氣放晴，萬里藍天裏沒有一絲雲團，我懷著美好的心情，從我的新學校——玫瑰崗學校所在的高高山頂，走著下山的道路。我抬起頭，望著萬里碧空，不由一絲欣喜，天氣待我真好，才剛開學，就給我了一個天天响晴碧空。正欣喜著，天空中出現幾團厚如棉花白如雪的雲彩，正慢慢地，悠悠悠悠地在我頭上漫步。從天空中輕盈地飄下幾根細如小短髮的銀絲，仿如春風拂面般地，給我帶來了點點清涼。漸漸地，漸漸地，我頭頂的天空似乎被蓋上了軟綿綿的棉被，天空漸漸陰暗了。不一會，我的臉上划過了一顆從天而降的淚珠。眼看著天要下雨了，我卻沒帶傘。慘了，只能淋雨了。果真是被我料中了。天，下雨了，我只能在心中絕望地哀吼，可是，怎麼辦呢？這叫天天不靈，叫地地不應……

沒等我吼完，天看起來已經是不想應我了。雨，越下越大。不過，讓我驚訝的還在後面：柔滑如羽毛的細絲，正在撫摸著我的臉。冰冰涼涼，真舒服。過幾秒之後，我就不這麼想了。還沒待我享受完此刻的輕柔，就劈頭蓋臉地打在我的臉上，不一會兒，我的臉，已經「哭」地如「帶雨梨花」了。我想搭巴士下山，可是，天不從人願，我等了二十分鐘，一輛巴士也沒過來，看來，我被老天拋棄了。只好無奈地等、等、等……終於又過了幾分鐘，終於上了巴士，可上面開的冷氣卻讓我冷得一跳三尺高。雨還是下著，等我下了巴士回到了家，我已經成了一個徹頭徹尾的落湯雞了。

香港的天氣變幻無常，然而人生不也這樣嗎？多有曲折，多有變卦，說不定哪天來個晴天霹靂，你的人生，就成了某種意義上的「落湯雞」了。所以，我們要隨時準備好一把傘：知識的傘、努力的傘、勤勞的傘，為我們以後不確定的人生做準備，帶著這把傘，歡快地奔向未來，奔向美好的人生去！

忘不了的笑容

6C 楊寶寶

當真、善、美從心靈深處迸出發出來時，其笑容所折射出的愛，是最使人難忘。

早、車鈴聲、真

「鈴鈴鈴……」一陣緊促的電車聲從遠處傳來，又是開展上學旅程的時候。坐在上層車廂，早上潮濕而溫暖的風再次送我進入夢鄉，不知不覺間已到了目的地。我趕忙搜尋我的八達通，「啊！沒有……為什麼沒有……」我望著腕表，告訴自己如不下車便會遲到，但就是找不到輔幣及八達通。兩眼正噙滿了淚水之際，身旁有一婦人笑著伸出一隻手，把一枚兩元硬幣放進我手裏，「拿去吧！要不然就會遲到。」人世最美的，莫過這份深厚廣闊的愛，真哉！

午、折疊傘、善

學校早上還是陽光燦爛，到下午竟下了一場大雨。鄰座的同學問我：「我們是冒雨跑出去還是等待雨停？」我摸一摸正在咕咕響叫的肚子，說：「還是冒雨跑出去。」前排的男生詭秘地笑了笑：「又冒雨啊！是不是又想再大病一次，上次你被弄濕了一身，連續告假四天。你身子這麼弱，我今天就借傘給你們，租金就免了，但記得歸還。」說完，他笑了笑，便跑出課室去。

吃飯時，同桌問了句：「我們班的男生有時挺好，很有紳士風度。」我望向旁邊的玻璃擺設，微微笑了一笑，「也是」這份大愛之心，善哉！

晚、風鈴、美

一陣涼風從身旁掠過，使我從夢裏驚醒過來，「我的毛衣呢？」原來掉在地上，就在我想彎腰去拾取時，卻聽見開門聲，我立刻躺下，眼睜出一條縫，原來是媽媽，「這孩子！又在書桌上睡著，竟穿得這麼單薄」，便撿起地上的毛衣蓋在我身上，又從容的把桌面上凌亂的文具收拾一下，我望向桌上的鏡子，透過門外的微光，見到媽媽露出個小酒窩，一邊輕聲地說：「你這個女兒，都不知沒有我在身邊照顧你，會變成什麼樣子。」收拾完，便逕自離開了。真的，沒有媽媽關懷備至的照顧，我都不知怎麼辦。母親算不上外貌秀美，她那笑靨發出內心而美，一直牢牢刻在我心中，風鈴「鈴鈴鈴……」地響，美哉！

愛無處不在，只要懷著一愛人的心，讓發自內心的真、善、美散發出來，你的笑容定必令人難忘……

S5 GRADUATION DINNER

The S5 Graduation Dinner was held on 18 June 2009. There were more than 200 participants at the event. During the course of the meal, each graduating class produced their "Class Video" to express the gratitude towards their teachers' care and devotion throughout the years. The banquet room was filled with a harmonious atmosphere. The dinner celebration reached to its climax when several S5 graduates led the audience singing songs which resembled the joy we had in Rosaryhill School and the intimate bonding between each participant. It made an excellent final touch to end this memorable event. The S5 Graduation Dinner had certainly become one of the most memorable events in the hearts of each participant.

S5 GRADUATION DINNER 2009

S7 GRADUATION DINNER

The graduation dinner of Rosaryhill School (Secondary Section) S7 2008-2009 was held successfully on 5th June 2009, in Hong Kong Disneyland Hotel. There were over 120 students, teachers and guests in the dinner. They all enjoyed the buffet dinner and the performances that night.

Two games were played after the dinner. After that, the students invited experienced teachers to come up to stage and had a chat about their teaching stories. As this is the Golden Jubilee year of RHS, an election of Best Dress-in-gold was held, choosing six students as the winners. The indispensable Lucky draw, sponsored by RHS PTA and RSH OSA, was followed after. At the end of this dinner, a short film named 'The Gift' was shown. School Song was sung by all guests and this marked the end of the dinner. This dinner aims to give S7 students wholeheartedly thanks to the school, as well as teachers, and to gather once again before they leave the school. Surely this will be a memorable and unforgettable night in the graduates' lifetime.

SPORTS DAY

Looks like purple is outnumbered

The deputy principal enjoying a bout of exercise

Some C1 happy faces

Each year the business studies section feels that 'All Class Work and No Play Makes Us a Dull Place'. That is why we hold a sports day every year which gives the students a chance to stretch their muscles, compete against each other and most importantly have a great deal of fun.

This year's event was no exception. As usual, we had all our students in their house colors who participated in a minimum of one event and a maximum of three. After a whole day of running, exercising and cheering, we have to give teachers and students a round of applause for their effort.

This is as light as a feather

WALKATHON

Due to the success of last year's walkathon to Lamma Island, this year we decided to give the Island a second round. We had so much fun and the opportunity to do some really needed exercise last year that we thought that it would be an injustice to ourselves not to make a visit again.

As usual, we all arranged to meet at the Central Ferry Terminal early in the morning to catch the early boat to the semi-populated island famous for its many seafood restaurants. We started off from Yung Shue Wan to Picnic Bay and had a quiet and healthy stroll along the famous walk trail. Although some of our form 7 students had the pleasure of walking this route before, it was still a good chance for many of the students to walk together and also make acquaintances if they had not already done so not already.

The walk could not have been better, the sky was blue and the sun was shining. Toward the end of the walk, was the thing we had all been waiting for, the barbecue. As part of Chinese culture, eating is such an important social event and this one was no exception. It took no time at all for the students to get stuck in and readily cook the lovely food which was available.

For some of our more energetic boys, we also had the chance to have a good game of football at the local pitch. It was such a great way to burn off the calories that had been consumed. Toward the end, we made sure the students were safely on the ferry to end the day on a happy note.

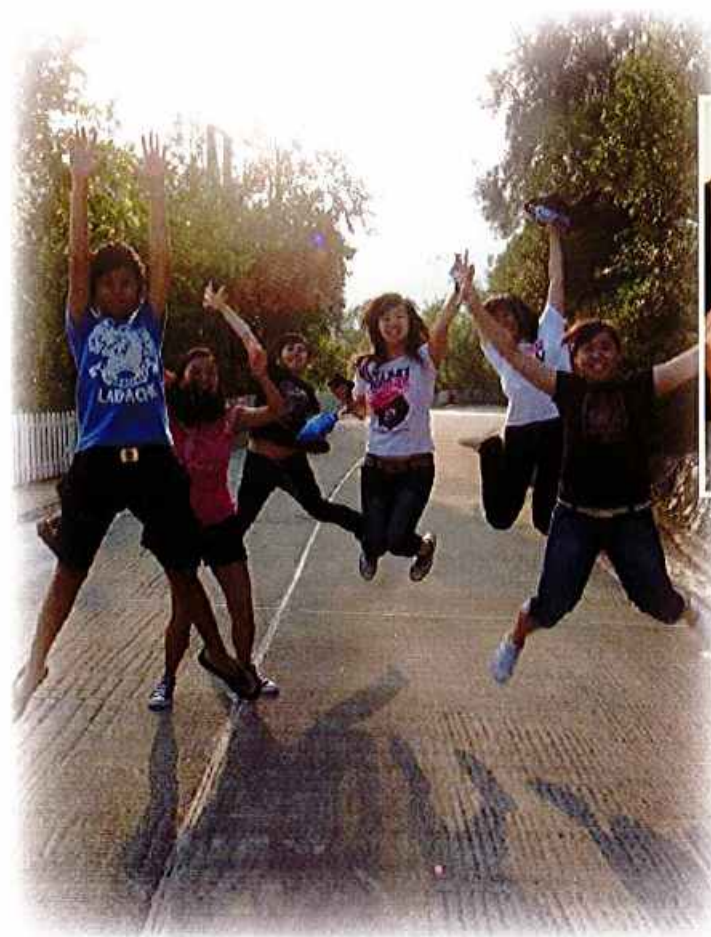

EDUCATIONAL EXCURSION

As part of a good bonding exercise between all the students in the business studies section, each year we arrange an orientation camp for between 1-2 days. For this, all students are encouraged to attend because we would not want them to miss out on all the fun. These activities were not only arranged by the teachers but also with the great help of the school social worker, Miss Kathy Lui and also a great team of external social workers.

This year we held this activity at a camp site in Sai Kung. This was a huge place with many activities for people to enjoy such as tennis, table tennis, badminton, a swimming pool and many more. We also had additional activities where house teams would race against the clock to complete selected physical tasks in or to win the game.

The main aim of this trip was to give students relaxation, enjoyment, and a further chance for existing and new students to get to know one another.

BUSINESS TRIP

From the 12th – 14th November, we had the pleasure of taking our form 6 students on a trip to Guangzhou, China. For some of the students, this may have been a repeat of a past trip, however for many of the students this will have been the first time they visited the city.

The purpose of the trip was to give the students a chance to broaden their horizons and to learn and experience the difference in culture of both Hong Kong and China.

For the trip, there were many activities organized by our social worker. The activities were a mix of learning and also doing some voluntary work in an opportunity to gain greater understanding between people from both places. The activities included, visiting a temple briefly in which a tour guide gave some history on the place.

We also had the opportunity to visit two schools in the city where there were some activities arranged for both our form 6 students and the local students to partake together. We had the chance to experience how the level of discipline between the Chinese students and the Hong Kong students differed. The students also had the delight of having a tour of the school and get an insight into the facilities of the school. Our students seem to be impressed with the geography and the Chinese history room which were quite unique.

After visiting the schools in the city, we were set for the next adventure. This was to visit a primary school in rural Guangzhou to meet the local teachers and students. This gave a great opportunity for some of our students to experience teaching inside a classroom to some primary school students. There was a lot of fun learning such as role-play, giving prizes and much more. Arrangements were also made for some local students to take us

to their houses to have lunch and experience life in rural China. At this point many of our students realized how lucky they were to live the lifestyle they did.

As a form of learning, our social worker also arranged a visit to a car factory that made Toyota cars for the mainland. This was a good chance for students to see some of the processes of how a car is generally made.

With all this learning and experience, a good aspect of this trip was the chance for the students and the teachers to get to know each other. The trip required a lot of effort from both the students and the teachers. We could not have it all work. That is why the students and teachers had a chance to relax and explore part of the city and have a few meals together to discuss the visits of the day.

PARENTS' DAY

It is a time when parent and teachers meet and have a time sharing their notes on how to nurture their children. Business Studies Section every year has two parents' day, one in the beginning of the first semester when parents of the newly come students have their first meeting with their class teachers; and the second one in the 2nd semester when the students and parents come and collect their school reports cards. Students and their parents would have a face-to-face chat with the teachers discussing the students' problems and looking for advices. These meetings provide great opportunities for teachers, students and parents communications.

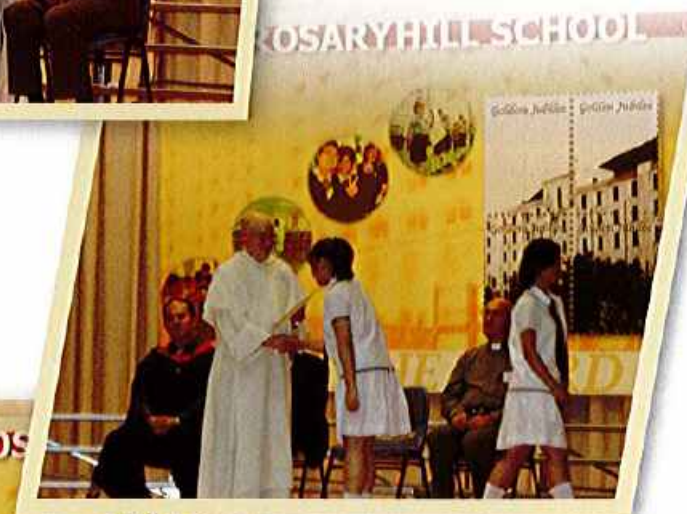

S.4 LEADERSHIP CAMP

This camp is specially designed for our form 4 students. This training camp is co-ordinated by the social workers and the class teachers of our section and it aims to establish students' self-esteem and re-discover their potentials being a leader. This two-day camp was held in an outdoor area where the students need to build their camps by themselves and cook their own meals. The challenges they faced and their cooperation would definitely be the most unforgettable part of their school life.

GRADUATION DAY

It is a big day for our students. Or, it can be precisely be told as a 'milestone' for our students who are ready to graduate and prepare themselves for more challenges in the universities and society they might go to. They are given a special gift 'graduation tie' by our Father Supervisor as a blessing to them. Students who have good performance throughout the academic year were also rewarded in the ceremony and their efforts are highly recognized and applauded by all.

GRADUATION DINNER

Graduation dinner is a time when the students and female teachers have an excuse to dress up. It also provides an opportunity for both teachers and students to express some words from their heart and share feelings of the time they had spent with each other.

As part of the celebration we had awards presented to certain students and also prizes which were won from some of the great recreational games incorporated into the evening's schedule. At this time of joy as well as sadness, we had a chance to share a last exquisite dinner together as well as taking many photographs to keep the memories in years to come.

THE LORD'S PRAYER

*Our Father in heaven,
holy be your Name,
your kingdom come,
your will be done
on earth as in heaven.
Give us today our daily bread.
Forgive us our sins
as we forgive those
who sin against us.
Do not bring us to the test
but deliver us from evil.
Amen.*
